J. C. McFERRAN,

A NOVELTY IN THE ART WORLD. Photography upon Porcelain. Secured by Letters Patent in the United States, England, France and Belginm.

The American Photographic Porcelain Company. No. 781 BROADWAY, NEW YORK, Having secured their novel and ingenious invention b

the articles upon which they are transferred.

As the patented process of the Company enables the reproduction of Photographs, not only on plain surfaces, but upon such as are round or of any degree of irregularity—portraits can be reproduced with fankless accuracy, and delicacy of delineation, upon Porcelain wares of any description and dimension used as articles of luxury or of household utility, such as URNS, VASES, BREAKFAST CUPS, TOI-LET ARTICLES, &c;

LET ARTICLES, de;
thereby securing fatthful portraits and furnishing an unique and exquisite style of ornamentation of articles in domestic use.

In order to furnish facilities for the gratification of the popular taste, and to meet the wants or loose patrons of the Fine Arts desirous of having fortunts on Porcelain, the Company have imported from Europe a collection of superior porcelain goods, manufactured to their own order, which they sen at cost prices.

As the American lampany are owners or the patent right, and consequently the only persons authorized to use the process, they have determined, in order to attend to possess fortraits on thins, to make the following proposition to residents in the country, who are anable to visit personally the Atelier and tameries in New York: Persons sending a photograph, simbrotype, or daguerrectype to the office of the Company in New York, accommands by Five Boulass, will receive in return by express free of other charge, a richiy quamented irrelative of any and ancer, with the portrait transfer ed thereon. rece, Boets
